Keep The Date

Dear Town of New Hartford Residents,

As we all know, 2020 has been a year like no other. We have had to habituate ourselves to a new way of living during these unprecedented times. Even in the midst of COVID-19, the Town of New Hartford Highway Department has been working diligently to provide the best of service to our residents without compromising the safety of our employees. We would like to take this opportunity to provide you with updated information related to our 2021 Trash Drop-off and Brush Collection service.

As in the past, we will continue to provide our trash drop-off service at the **Highway Garage at 111 New Hartford Street, New Hartford, NY 13413**. We will have a designated spot at the Highway Garage where residents can drop off their items. Residents will be responsible for unloading and disposing their items. This service will begin on **Monday, April 5, 2021**, and will continue **every Monday until September 27, 2021**. The hours of this service will be from **7:00 AM to 2:00 PM**. A note that we will add **Saturday, May 15, from 8:00 AM to 12:00 PM** for drop-off as well. If a holiday falls on a Monday, then the drop-off will be on Tuesday. **This service will be suspended for the month of June due to Curbside Pickup**. Please see the reverse side for our guidelines. A reminder that **you must provide proof of residency to be able to utilize this service**.

We will also offer our Tag Service again this year for anyone who is unable to bring their items to the Highway Garage. Tags (\$5.00 per item) can be purchased at the **TOWN CLERK'S OFFICE at 8635 Clinton Street, New Hartford, NY 13413**. Office hours are from 8:00 AM to 4:00 PM. Items will be picked up on the first MONDAY of every month from April to September. If a holiday falls on a Monday, then the items will be picked up on Tuesday. **This service will also be suspended for the month of June due to Curbside Pickup**.

Also continuing this year at the Highway Garage is our free Computer & Electronics Recycling Collection Service. We will accept all televisions, computer equipment/accessories (e.g. monitors, keyboards, printers, ink cartridges, etc.), miscellaneous electronics (e.g. circuit boards, video game consoles, cell phones, music players, power supplies, etc.).

Thank you for your cooperation in complying with the guidelines we have in this flyer. If you have any questions regarding dates, eligible items, or the aforementioned services, please do not hesitate to call the trash hotline at (315) 724-4300, ext. 2430. We are grateful to the residents of the Town of New Hartford for your patience as we continue to navigate through these uncertain times.

Once again, please remember that your cooperation makes our jobs easier and keeps our neighborhood a clean and safe environment to live in. Please follow the schedule for pickups and please notify your landscapers and contractors that it is their responsibility to dispose of any debris.

Have a safe year.
