Town Supervisor Miscione opened the Public Hearing at 6:01 P.M., in the matter of Local Law Introductory "G" of 2018. [The Town Clerk had available copies of the proposed local law, the Notice of Public Hearing, Affidavit of Posting, Proof of Publication in The Observer Dispatch, and responses/recommendations from the Oneida County and New Hartford Town Planning Boards, and New York State Department of Transportation (SEQR).]

The Town Attorney referred to the July 11 and August 15, 2018 Town Board minutes where this proposed law, if adopted, would approve the rezoning of a .4 acre parcel at 4343 Middle Settlement Road from Institutional (I) to Manufacturing (M). Special Metals recently purchased this property (Tax Map No. 328.000-2-36) and would like to have the zoning classification changed to Manufacturing, the same as Special Metals adjoining 112 acres.

PUBLIC HEARING

6:04 PM Local Law Introductory “F” of 2018
 Zoning Text Amendment (Fees)

The Town Supervisor open the Public Hearing at 6:04 P.M., in the matter of Local Law Introductory “F” of 2018. [The Town Clerk had available copies of the proposed local law, the Notice of Public Hearing, Affidavit of Posting, and Proof of Publication in The Observer Dispatch, along with the recommendation from the Oneida County Planning Department.]

The Town Attorney explained that the Local Law Introductory, if adopted, would amend certain fees in the Town Code, Chapter 118 ZONING, Section 118-140. C. Fee Schedule. This would include new fee types and also increases in certain existing fees.

The Town Supervisor inquired whether anyone present wished to speak in this matter. An identified resident asked how that would affect him as a new resident planning to make some changes in his home; Supervisor Miscione said the increases are for commercial properties only. Also, James Lawrence suggested it would have been nice to have a “before” and an “after” list of the affected fees.

Because Local Law Introductory “F” had not been reviewed by the Town Planning Board at this time, the Town Attorney recommended the matter be tabled until after the September 2018 Planning Board meeting. The Public Hearing was closed at 6:05 P.M. Thereafter, Councilman Messa moved ***to table action on Local Law Introductory “F” of 2018; seconded by Councilman Cittadino. Unanimously carried.***

Commission. [The Town Clerk had available copies of the proposed local law, the Notice of Public Hearing, Affidavit of Posting, and Proof of Publication in The Observer Dispatch.]

Councilman Messa moved *to table action on Local Law Introductory “H” of 2018 and to defer the Public Hearing; seconded by Councilman Woodland. Unanimously carried.*

Councilman Reynolds agreed with Councilman Messa, adding that he would like to see how the increase of two (2) Commissioners would or would not mirror the existing Local Law, how the members would be chosen, and have representation from Town residents, exclusive of Town Board members. He would like to see the Statute (Section 150 of Town Law) written out so that the Town Board knows exactly what it is agreeing to. The Town Attorney read from Town Law Section 150 and said he would be happy to supply any additional information requested by the Town Board.

Upgrade lighting – Recreation Center

REGULAR TOWN BOARD MEETING

September 5, 2018

Page 8 of 15

Councilman Reynolds inquired about the status of upgrades to lighting at the Recreation Center. The Town Supervisor said he put together the specifications and has received Requests for Proposals. The Parks employees will perform the work and he is waiting for National Grid to perform a pre-inspection.

Stormwater issue – Cuda, Sherwood Road

Councilman Reynolds received confirmation from County Legislator James D’Onofrio that he has the money earmarked in the County budget to address the stormwater issue affecting the Cuda residence on Sherwood Road; Legislator D’Onofrio would like to put the money in the 2019 County budget, but needs to have the required engineering work done first. The Town Board asked the Highway Superintendent to get the engineering done so that work can begin January 1, 2019.

Health Insurance – Town Board members

Councilman Reynolds wished to discuss an Agenda item that had been deleted; namely, health insurance for Town Board members. He made two (2) points:

- If entertained, the benefit should be on the position (not based on the number of hours a person works)
- This matter should be placed on the ballot and up to the voters. If we aren’t doing our job, they will let us know.

Councilman Reynolds confirmed that he is not in favor of this proposal, but if done, should be the decision of the voters.

Town Supervisor Miscone noted that he had assumed the duties of the Parks Director for this year, as a result of the retirement of John C. Cunningham, and has several part-time clerical employees which he is managing, and he feels is a benefit to the Town. Health insurance/retirement is not a new benefit, the Supervisor said, pointing to the Non-Union employees’ Benefit Policy. This is above and beyond the managing role of Town Supervisor.

Birth and Death certified copies/fee increase

The Town Attorney read a Resolution that the Town Supervisor had requested, for a Ten Dollar (\$10) increase for each birth and death record issue from the Registrar Office. Thereafter, Councilman Reynolds offered the following Resolution for adoption, seconded by Councilman Cittadino:

(RESOLUTION NO. 367 OF 2018)

Purchase & Sale of 32 Kellogg Road

The Town Attorney noted that the Town had published a notice in the Observer Dispatch for thirty (30) days, entertaining the sale of 32 Kellogg Road (police and court building/property). The advertisement ran from June 30, 2018, through July 29, 2018, with two (20 offers having been submitted, the highest of which was \$695,000 from Clifford's Fuel. The second offer was received from Stewart's. Both offerors expressed an interest to continue to make offers to purchase, and after an auction earlier today, the highest bid submitted was \$790,000 from Clifford's Fuel. The Town Supervisor had obtained an appraisal of the property in the amount of \$645,000. Thereafter, Councilman Woodland introduced the following Resolution for adoption; seconded by Councilman Cittadino:

(RESOLUTION NO. 368 OF 2018)

It has come to the attention of the Town Supervisor that additional asbestos was identified at one or more Oneida Street residences that are being demolished, carrying a huge expense that was not anticipated. Town Attorney Cully will contact Mr. Tom Cowin/FEMA to determine whether a re-bid or change order is required.

It was consensus of the Town Board to conduct a Special Meeting on Thursday, September 13, 2018, commencing at 5:30 P.M. in Butler Memorial Hall, to address the issue of additional asbestos in some “FEMA” houses scheduled for demolition, and to review bids for construction at the site of the new Town Hall site, formerly Gander Mountain.

Proposed Sale – portion of Ellinwood Drive near Marquee Cinema

The Town Supervisor received appraisals for the proposed sale of a portion of Ellinwood Drive in the Orchard Plaza, one of which was from Frank Donato Real Estate Appraisal. The appraisal amount was \$47,000 for the piece of road. The Town Attorney advised that a resolution would be necessary to start the permissive referendum procedure, and to authorize the sale of a portion of Ellinwood Drive that was incorrectly included in the conveyance of Ellinwood Drive at the point where it intersects Marquee Cinema and where Marquee Cinema has exercised control for an island and parking spaces.
